Catharina Pungart Sex: F Birth: 11 APR 1853 in Austria-Hungary
Death: 28 APR 1938 in Molidorf,Austria-Hungary

I have the baptismal papers (written in German) for her grandson Carl Aaron and his middle name was spelled "Bungard". - Scott Aaron

Research from Sorin Fortiu adds even further possible spellings of this surname. All of these come from various church record entries regarding Catharina: Pugart, Pungert, Punhart, Bungart, Burckhard and Pungart. Nearly all of her children's birth records (the earliest records we have) list Catharina's name as "Pungart" so I think this was most likely the original spelling. - Scott Aaron

There was a Katherine Pungart born Jan 4, 1850 in Novoszelo to Philipus Pungart and Suzanna Kravacsek, and she was baptised in Toba (Molidorf church records), so its possible that Philipus and Suzanna were Catherine's parents. There was also a Jacob Bungert/Bungart who married Susanna Majer of Massdorf. Jacob and Susanna had a child die young in Molidorf, and Susanna passed away in Molidorf in 1852 at 36 years old. This would seem to make her too young to be Katherine's

mother (if Catharina was indeed born in 1853). The interesting thing is that Catharina didn't have any children named Phillip, Jacob, or Susanna, which would likely be the case if either of these couples were her parents. - Scott Aaron Died from old age. - Scott Aaron

Catharina "Katherine" Lambert # Sex: F # Birth: 15 DEC 1878 in Molidorf,Austria-Hungary
Death: 24 MAY 1963 in Saginaw,Saginaw,Michigan
Burial: West Side Cemetery,Freeland,Saginaw,Michigan

Came to U.S. on May 5th, 1905 on GNEISENAU. Married Johann Aron on Dec.7th, 1900 in Austria-Hungary.

1930 Census shows she was living at 11191 Charlemagne Ave. in Detroit. Also notes that she couldn't read or write (I'm guessing this means she couldn't read or write English, probably could German).

Research in church records by Sorin Fortiu says that Johann and Katherine were married on Dec. 9, 1900. They apparently had children that were born before that date however. Also, this seems to conflict with U.S. Census info. - Scott Aaron

Old Families names starting with M

How long is a generation? Of course that varies with culture from 15-35 years. Male generations are longer usually around 30 years female generations shorter between low and high twenties averaging about 28 years. Another factor is how many children a family has. This varies between 0-16. In pre industrial ages the averages of male and female generations is 15-20 years but in the modern age it averages in the low thirties. So there is no absolute number. In this family tree the average is about 30 years. Mankind like ourselves have been on Earth about 50,000-200,000 years. If we count 25 years for the primitive ages and 30 years in the modern age (since 1800) that is around 2,000-8,000 generations. The actual count of male generations after the oldest in our line we can name starting at generation 8,000 and up to the present is 2,054-8,054 generations of human ancestors. All this just to get a perspective of where we are. In other words we only have around 53 generations that we have names for our ancestors. That is better than most families who can only name five generations. But if mankind doesn't stop the terrorists using nuclear weapons, the present generation may be the last generation of humans on this beautiful planet, which cockroaches and machines will inherit.

When one looks at our family history over the over 2,000-8,000 generations we see that we are all related to almost everyone

else. Scientific thought, finding out the actual truth, facts and knowledge, has given us far more than superstition or religion. As Jesus said "The Truth will set you Free." The most import thing we see when looking at our history is that we must be prepared to survive attacks from other humans which still plague our world even now and that we should also train our selves and our children to be Thinking, Loving, Caring, Kind Human beings. After all **Humans should be Humane.** We need to **insist on the Golden Rule as a code of conduct as the expectation for all humans**, that **We must do to others only what we would want done to ourselves**. And the **Silver rule of Don't do to others what you would not want done to yourself**.

Bring no harm to another by your actions or inaction. We need to create a world of peace where everyone can reach their best potential. Those who would do us harm must be suppressed or banished to remote Pacific Island where they can kill each other off. And we can create a force of police robots to deal with those who would violate the peace. We must also keep control of the police robots and not make them totally autonomous lest they become the masters.

Mann History and Tree

Descendants of Benjamin Lincoln Mann

Generation No. 1

1. Benjamin Lincoln[1] Mann was born Abt. 1850 in Tx. He married **Clara Reed** (Source: Her son's statement.) Abt.

1874 in Tx, daughter of William Reed and Charlet Stanton. She was born February 14, 1854 in Corpus Christi TX, and died November 15, 1928 in Indianapolis Ind.
Clara born 1854 was Clara Alice Reed (Summerville, Burnham) Mann, Stewart, Bissell, Kincaid
She was born Clara Alice Reed Somerville February 14, 1854 Corpus Christy Texas.
Her father is believed to be William Alexander Reed, her mother is believed to be Charlotte Stanton. Her mother's father is believed to be Thurston Stanton. Clara's stepfather was believed to be Alexander Summerville. The person who did most of the research on her was Murza Mann her granddaughter and the above is what her notes stated. Many Letters were found in her papers to and from Cousin Jennie Jerome mother of Winston Churchill. The link I found to her was that her ninth mother back was Margaret Reed. Of course there could be closer links but I don't have the hundreds of hours it would take to find them. This means that we are distantly related to Winston Churchill the great Leader of England during World War II. and the Duke of Marlborough. The family legend has it that Clara was born on a ship going to Corpus Christy. Thurston her son stated that her father owned a large plantation at mouth of a river. At first it was assumed to be located at Corpus Christi TX but other research by Murza Mann indicated that it may have been near Robert E Lees home in Stratford VA or Reedville near the Potomac River that flows into Chesapeake Bay. He lost 6000 head of sheep in the first devastating flood about 1864. It was reported that Warren Mann (who was not a religious man) was visibly shaken when visiting Robert E Lee home near Stratford VA. He stated that his mother had appeared to him and stated that she was glad he had visited her people's place or something that meant she had close ties to, or memories of

Stratford Hall and the Lees. Stratford Hall is north of Williamsburg VA.
On her first visit to Colonial Williamsburg on hearing about the Peyton Randolph House, and the St George Tucker House Murza stated that "Those are names in my Grandma's papers." There is a town of Reedville on Chesapeake Bay. Clara's parents may have roots in Virginia, Connecticut, Texas and Louisiana.
There were three separate family notes that mention Reed, Summerville and Burnham as part of Clara's past. These were scraps of paper that were found in the Richard Prior family, the Murza Man family and the Thurston Stewart family that point to but do not prove some kind of connection. The unfortunate fact is that Clara either did not record her family history or it has been lost.
Book found in Clara's possession had "Genealogical Records of Thomas Burnham the Emigrant who was among the early settlers at Hartford, Connecticut, U. S. America, and His Descendants. second Edition by Roderick H. Burnham Hartford Conn. Hartford" The Case, Lockwood & Brainard Co. Print 1884. This book was given to Mrs. George Elliot Stewart by the author Dec 25 1884. At the end of her book is a poem that says that the Burnhams were from Danish Normandy, to Saxon Villages of Burnam England, Turneys Murnic War Hartfield Court, to New England. This book shows on page 182 that Thomas Burnham born 1771 of E Hartland Conn who died 1854 married Phebe Fairchild and had a daughter they named Loe who was born Mar 12, 1795 who married Lothrop Reed in 1820. Also on page 167 Timothy Burnham born 1773 in Hartford Conn who died in 1815 whose widow Lydia Tucker married Justus Reed of E, Windsor or Torrington in Aug 7, 1816. This doesn't prove a connection to Clara but is interesting because

Somewhere the Reed family was a William Alexander Reed who Murza Mann declared as Clara's father. So unless and until other substantial records are found we will not know. But the hope is that someone working on a family history in the future will discover records and publish them. It is not of any great importance that we know other than it brings a minor form of happiness to have solved the mystery of one's heritage. Does the fact that she wrote a book named Burnhams and that she was given a book about them indicate anything other than an acquaintance, friendship with them? Was she a Burnham cousin? Not proven. It appears that her family was fairly well to do.

She stated she had Southern blood meaning she was raised in the south. Whether or not she ever went to Colonial Williamsburg we do not know. She was reportedly born at Corpus Christy Texas. Some how she met and married Benjamin Lincoln Mann of Galveston TX and they had a son Warren Walter Mann born Jan 1875 in Galveston Texas. Warren had a daughter Murza whose daughter Valerie A Lauder is her historian.

Benjamin Lincoln Mann was born in Hanover Mass Apr 19 1812 the graves for his parents had a GAR marker but his daughter was a member of the United Daughters of Confederacy. Clara was reportedly his forth wife. According to records of the New Orleans Westminster Presbyterian church: B.L. Mann married Clara Alice Sommerville on March 4 1874. This record also states Clara A (Reed) Somerville born Feb 14, 1854 at Corpus Christi Texas. Ben Mann had been one of the richest men in the South but had a crooked partner who took the money. He had dealings in Galveston and New Orleans Louisiana. Warren Mann visited the plantation there where her Clara's sister still lived. Murza found a note about Metarie

Plantation in Louisiana. Later Clara divorced him. We do not know why. He was nearly blind and later was buried in a pauper's field.
Murza Man stated that he appeared to her when she was a little girl while she was visiting with her grandmother Clara at her house in Indianapolis Ind. He appeared as a well dress distinguished man but was partly transparent. Her house was a red brick house had a room like a chapel. Clara would clean up and dress up special to visit this room.

After some time Clara met a traveling Circuit judge George Elliot Stewart. George had been appointed by the County Commissioners Court and R. B. Hubbard Governor to the office of County Judge of Kimble County on 29 July 1878 in the independence of the United States of America the One Hundred third and to Texas the Forty Third year by I. G Searey Secretary of State and R. B Hubbard Governor State of Texas. She married Judge George E. Stewart about 1879 probably in Austin TX. Their son George Lionell Stewart was born December 3, 1879 in Austin Texas.

Clara and George moved to California in southern Michigan in 1884 where Daniel Thurston Stewart was born on May 24 1884 in a farmhouse on Haight Rd. Clara sold bibles and books to support family. I was reported by Ruth Stewart that Clara suffered from headaches. And George had times of bad health. We know they visited Fairgrove Michigan which was located more in the middle of Michigan. Clara sold Bibles and George was a traveling salesman when he died in Alpenia Michigan in Dec 9, 1904. They had been married 25 years. Clara wrote a book 1882 while still in Texas titled "The Burnhams or The Two Roads". It was a novel about life in New York and Texas. Then with help of Jos W. Stewart revised it published in 1883. Publisher G. W. Carleton & Co., Publishers

New York, London: S. Low & Co MDCCCLXXXIV. It had a quote on the title page that stated Let those love now who never loved before; Let those that always loved now love the more." Parnell, Pervigilium Veneris. Writer Mrs. George Eliot Stewart. 760 pages long. The book was dedicated to Francis Murphy The Great Apostle of Gospel Temperance. Mr. Murphy was a leader in the National Christian Temperance Union. "With malice towards none, and charity for all. They had many men sign a pledge to abstain from all intoxicating liquors as a beverage and encourage all others to also abstain. She also wrote poems and short stories.

After George died she may have married a wealthy man by the name of Bissell who rumor has it killed himself. Legend has it that she had four husbands.

She later married David L. Kincaid about 1905 and moved to Indianapolis Ind. She later became a D.O. She died a widow in Indianapolis Ind. Nov 15, 1928 at age 65. She was buried in Brookside cemetery Fairgrove Michigan next to her husband of 25 years George Stewart.

Time line on Clara: Born Texas but has ties to New England. Travels a lot.

Marries B. L. Mann in 1879 New Orleans LA. Lives in Texas.

In 1881 Mrs. George E Stewart has her picture taken on 8th Ave in New York

Clara moved to California in southern Michigan in 1884 where Daniel Thurston Stewart was born on May 24 1884 in a farmhouse on Haight Rd. Not too long after that George turns up in Michigan.

In 1890 she is with Warren Mann in Saginaw Michigan.

In 1896 she is in Cleveland Ohio on Dec 26, 1896. per dedication in Thurston's memory book.

In 1897 Daniel Thurston Stewart is in Fairgrove, now age 13 living with Uncle Dan and Aunt Vie.
In 1899 Thurston is told to read the proverbs by mom or dad in Alpena Michigan.
In 1900 Thurston attending Coventer Church in Fairgrove Michigan
In 1901 George visits Thurston in Fairgrove Jan 14, 1901
In 1902 Clara has her picture taken in New London Conn. on Feb 26.
On December 7 1904 George E Stewart dies in Alpena Michigan. Thurston is living in Fairgrove. There is a petition to have his brother appointed as his guardian as he is under age.
Picture from Frank Buck Hotel in Alpena dated 1905.
It is believed Clara went to Cleveland and then to Indianapolis Indiana.
Clara married a man by the name of Bissell
She moves to Indianapolis.
Ruth has her picture taken in Indianapolis Indiana. It is assumed she is visiting Clara.
Clara marries doctor David L. Kincaid about 1905. We still need to find the record of the marriage.
Thurston and his wife Flossie move to Indianapolis. A postcard shows them there in 1907.
In 1907 Clara presents Thurston and Flossie Stewart with a bible on May 20 signed from Clara Bissell Kincaid Indianapolis Ind.
In 1909 Flossie and Thurston still in Indianapolis as shown by postcard.
By 1910 Thurston and Flossie living in Oxford Michigan working for Brace Beamer the actor who played the Lone Ranger. In 1919 they are in Pontiac Michigan.
Clara becomes a D.O.

As far as the evidence shows Clara remains in Indianapolis until her death Nov 15, 1928 in Indianapolis.
Is buried in at Brookside Cemetery in Fairgrove Michigan next to George Stewart Plot S. E. 261. I am placing a marker there where I believe Clara, George, Daniel J Stewart and Elvira Margaret Ball are buried.

2 i. Paulene[2] Messina, born 1921.
\+ 3 ii. Bertha Mary Messina, born October 16, 1922 in Detroit MI.
4 iii. Tony Messina, born 1924.

Generation No. 2

3. Bertha Mary[2] Messina (George Ignacious[1]) was born October 16, 1922 in Detroit MI. She married **Louis Raymond Claeys** June 20, 1942 in Anchorville MI, son of Florent Claeys and Elfrieda Wachsmann. He was born September 13, 1909 in Detroit MI, and died October 7, 2002.

Bertha was raised by her mother until age five when her mother became ill and Bertha and her siblings were placed in several foster homes. In one home, that of Henry and Angeline Feike,

she was not allowed to go to school because they wanted her to do work in the home instead. Bertha began working in Detroit and soon Louis Claeys whom she later married started dating her. They were married at Immaculate Conception Roman Catholic Church in Anhorville Michigan on June 20, 1942 by Reverend HT Hengehold.

The young couple lived in a rented farm house on Hesson Rd. in Anchorville. In the winter they lived with his fathers mother Mary Claeys because the rented house had no chimney, stove or running water.

Their first child Barara was born in 1943 in . The rented house burned down later that year and they moved in with Louis's parents. In Jan 1944 they moved to an apartment on Washingtn St in New Baltimore. Later they started building the house at 38214 Main St New Baltimore. Bertha worked hard as a mother and housewife. In those days there were few conveniences. Most everything was done by hand and cooking from scratch. Bertha did extensive canning by herself without help and often had to tend the crops as well. Her main activity for thirty years was taking care of the family. Later when the kids were grown she did go out to work to earn extra money so her son Lewis could go to college. She wished that she could have put all through college. On sundays she prepared extra large meals for guests, children and grand children who often came to visit. Bertha also went out and took care of many people that were sick. She raised Gary her grandson and Becky her grand daughter when they were young. Bertha was also active in helping senior citizens. They gave her the nickname "Angel of Mercy" which this historian feels easily sums up her character. She continued helping others and cooking those delicious meals for years. One newspaper, one reporter and historian Wesley Arnold have named her "Saint Bertha Mary Claeys." The

newspaper even published a poem about her. Children of Bertha Messina and Louis Claeys are:

+	5	i.	Barbara Ann[3] Claeys, born 194- in MI.

From same book: "In the southern portion of Bingham the earliest settlement was made by William H. Norris in 1838, upon one hundred and twenty acres in section 32, where he still

lives. From a recently-published sketch of Mr. Norris' pioneer experiences is given the following:

'Ben Merrihew, of Olive, had built a shanty on a piece of land owned by him, and quite near to Mr. Norris, and being unoccupied the latter took possession of it until he could build upon his own. At this time he sold forty acres of his farm to his brother, Reuben S.(now deceased), and the two families lived together in the house which Mr. Norris immediately erected. During the latter part of fall and the early part of the winter following the logs were gotten together and hewn for the brother's house, and between Christmas and New Year they raised it. On the same day, while they were at work at the new house, the first one took fire, and for all they could do burned to the ground with all its contents, although, happily, it was so soon after their arrival that the better part of the household goods had not yhet come from the former home in Washtenaw. At this critical juncture some hareships were endured which, even looked back upon through the softening screen of many years of plenty, bring with them no sensations of pleasure. Of course there was nothing to do but to finish the brother's house, and all occupy it until the burned spot could be covered by another home. In about two weeks from the time of the fire the father came from Superior with the expected goods, together with some eatables, put in with an especial reference to the late fire, all of which exactly fitted into the niche which hard circumstances had chiseled.....Mr. Norris...organized a Methodist society in 1840.

Hi Wesley,

I'm a genealogist and member of the Shelby Township Historical Committee. Several of my ancestors were early settlers of Warren Township and I can give you interesting information from my records.

The mother of Hieronymus Engelmann and my great-great-grandmother Franziska Anselm Baumgartner were sisters born in Rust/Baden, Germany. Franziska and Wendelin Baumgartner came to Detroit in 1834. Wendelin was born in Oberbergen/Baden, Germany. They are buried in the Grotto Cemetery.

I have the book of family records from Rust, Germany that I

purchased at the City Hall there in 1970. Following are the records taken from the book for the Jakob Engelmann family. Please note that his date of birth is different than on his grave stone in St. Clement Cemetery.

Jakob Engelmann, born 23 July 1809 and Charitas Anselm, born 28 July 1808 were married 25 June 1841. They had two children: Eduard born 20 April 1842 and Hieronymus born 28 September 1844. The family immigrated to America on 18 May 1847.

My great-great-grandparents Franz Josef and Johanna Priemer (often misspelled) came to Michigan in 1850 with sons Franz and Eugen. Sons Lucas and Josef came to Michigan in 1851 and the last son Nikolaus, my great-grandfather, came in 1852. On August 22, 1851, Franz Josef and Johanna purchased a 40 acre farm on the northwest corner of Van Dyke and 11 ½ Mile Road from the State of Michigan for $160. Their farm is on the 1859 & 1875 Warren Township maps. As you know that became the location for the Tank Plant.

Johanna Priemer died September 5, 1856 and is buried in St. Clement Cemetery. Franz Josef remarried Gertrud Kratz. They are buried in the Grotto Cemetery but their grave stones have disappeared. So far I haven't been able to get any help to locate the stones.

The Priemer family owned other property in Warren Township and my father was raised on a farm at the corner of 11 Mile Road and Bunert Road. His step-father Joseph Morian sold the

farm to developers in the early 1960s.
